

This architectural site plan illustrates the layout of the Theater der Kulturen. The central feature is a large, irregularly shaped stage area, shaded in dark grey. Surrounding this central space are several circular and semi-circular auditoriums, each labeled with a number: -1, -2, -3, and -4. The auditoriums are arranged in a way that they all face the central stage. The plan also shows various green spaces, trees, and pathways, providing a comprehensive view of the theater's design and its integration with the surrounding environment.
