Aim of this Session

Why OBE

What is OBE

How to develop OBE

The proposed methodology

Do we need OBE?

“what did you do to obtain your degree?”

“what can you do now that you have obtained your degree?”.

What is Outcome-based Education

From

teacher-centered approach

To

student-centered approach

From

Teachers focus on the content that they intended to teach on the program, planned how to teach this content and then assessed the content

To

Teachers focus on what the students are expected to achieve and how they are expected to demonstrate that achievement
